Welcome to Mrs. Pinneo's first grade classroom! A little information about me: I taught handicapped children in Florida many (MANY) years ago. Then, I took a long break from teaching. Upon coming to Heber-Overgaard in 2008, I began substitute teaching. I fell in love with the students and had great admiration for the teachers and all the district staff. This will be my 8th year teaching first grade here, and I have loved every minute of it.

I am looking forward to a wonderful year with your children. As you know, we will be starting school on Wednesday, August 3.

Your child will need the following supplies in our classroom:

backpack	erasers
pencil box	headphones for chromebook
crayons (box of 24)	scissors (blunt)
regular size glue sticks	pencils with child's name on them
skinny black Expo dry erase markers	
refillable water bottle (to bring home and back to school each day)	
mouse for chromebook - preferably a wired one	

If you are unable to obtain any of these items, please let me know so I can get them.

If you are able to donate any items to the class, we always need

tissues
extra glue sticks
extra skinny Expo dry erase markers (black)

I am very excited about this school year. We'll get to know each other, have fun and keep on growing and learning! If you have any questions, please send me an e-mail – kathy.pinneo@h-oschools.org.
