

You're my Superhero

Dear Parents of Superhero Second Graders,

I am so **excited** that your child is in my class. I can't wait to show you all the wonderful things that we are going to do this year. Just a few things we learn about are spiders, rocks, explorers, comparing and contrasting stories, make your very own hardback book, place value, regrouping, and multiplication.

I love communication!!! That being said, I have set up a Remind app class for this year. **YOU WANT TO BE A PART OF THAT!!!** Attached is a paper for you to get in or just go into the Remind app and join class "22-23 Second Grade" with code 9bbfee7.
